

SAVE THE DATE: JUNE 18-19 SPRING DRIVING TOUR

BEAT THE GREAT RECESSION & GET HAPPY IN TEHACHAPI

Get out your comfy overalls, don a wide-brimmed straw hat and channel your inner Okie or Arkie. We're heading west!

The 2010 AROSC Spring Driving Tour will follow SoCal's highways and byways from Mision San Fernando Rey de España to the high plains hideaway of Tehachapi via a corner of the Central Valley, and a special mountain stage. Pastoral sights and stunning views await.

Highlights will include a visit to the Civil War relic Fort Tejon, our traditional juried picnic competition in the agricultural hub of Arvin, and a look at the railroading marvel called the Tehachapi Loop.

In town we have fabulous Alfa-value accommodations for \$45 per room, a private dining quarters at the dinner venue, and a number of trainspotting opportunities for those who may be so inclined. We'll come home through the wind farm on Oak Creek Pass to everyone's favorite racing venue, Willow Springs, with an afternoon stop in Rosamond.

**Mark your calendars and plan to join the fun.
