

# AROSC EVENTS CALENDAR 2018

*Come drive with us!*

Here is your handy AROSC Events Calendar for 2018 – the what, when and where for giving your Alfa regular Italian tune-ups and enjoying the company of Alfa friends.

Now that all Club communications are digital, we encourage you to save these four pages to your electronic information device of choice so you can have them with you at all times.

This PDF is independent of the January Alfacionada with which it's distributed, so you can keep and print it whenever you wish. You can also find it on our website at [www.arosc.org](http://www.arosc.org), to download or view when needed.

When there are any important changes to an event, we will update this calendar and send it out via e-blast and re-post to the website, so keep a lookout for those notices.

We hope you enjoy this road map to Alfa fun and come drive with us in 2018!
