

AROSC EVENTS CALENDAR 2018

Come drive with us!

Here is your handy AROSC Events Calendar for 2018 – the what, when and where for giving your Alfa regular Italian tune-ups and enjoying the company of Alfa friends.

Now that all Club communications are digital, we encourage you to save these four pages to your electronic information device of choice so you can have them with you at all times.

This is a PDF independent of the January Alfacionada with which it appears in your email at the first of the year. It will also be posted to our website, www.arosc.org, where you can download and/or view it when needed. And as a standalone file, you may print it whenever you wish.

Events sometimes change character or venue or timing. As that happens, we will update this calendar and distribute via e-blast and re-post to the website, so keep a lookout for those notices.
