"HISTORY OF ALFA ROMEO"

**David Gooley, Harry Newton,
and Peter Jacoby**

General Aviation Center, Torrance Airport

[Refer to map on back for directions]

The Alfa Romeo Owners Club of Southern California is honored to have Alfa Club member and photographer, David Gooley, along with journalist Harry Newton, and Peter Jacoby present the History of Alfa Romeo. Their presentation will include a fascinating film from Italy that will be translated by Peter Jacoby. David and Harry will be on hand to fill-in with commentary along the way. This should be a terrific event, so don't miss it!

LAGUNA SECA TIME TRIAL AND RACE APRIL 9 & 10

Please note the new dates of our Laguna Seca event for 1994! After not going to Laguna Seca in 1993, the Alfa Club is pleased to announce that we will be returning to the famed Laguna Seca track on April 9 and 10. Note that this is **NOT** Memorial Day weekend! However, the weather should still be spectacular and the area will have fewer tourists. Please remember to sign up for this one as early as possible as this event fills up faster than any of the other events because of the Northern California entries. Registration will be strictly first come, first serve so don't be left out! 'nuff said...

UPCOMING TIME TRIALS AND RACES

Note that we added two (count 'em) Time Trial & Race events in Las Vegas! Check the Calendar for dates.
