AROSC Previews

An outline of coming events

Board Meeting – Wednesday, February 5, 7:30 PM

The Board of Directors meets monthly at a restaurant, for the purpose of planning the club's activities, conducting the club's business, etc. All members are welcome to attend. If you have some issue to bring to the board, or some ideas for events, etc., please plan to attend. The location may be Il Fornaio on Aviation Blvd at Rosecrans Avenue in Hawthorne. Call a board member to verify.

Drivers' School, Streets of Willow – February 8-9

Finally, our long awaited driver's school returns! Do you want to drive better? Faster? This is the place to learn how. There is no restriction on what you bring to drive, as long as it is safe. We offer instruction in improved street driving, beginning and advanced time trial driving, and race driving, so you can sign up for whatever level of skill you want to develop. This 2-day event can't be beat for the price, track time, and instruction. For more information, contact Steve Hamilton at (310) 214-5110 or Doug Bender at (310) 373-3552 or E-mail at alfabender@earthlink.net.

Tour of the J. Mays Automotive Design Exhibit, MOCA – February 22

J. Mays is a renowned automotive designer, of Ford products as well as Audi and VW. An exhibit of his designs/cars labeled 'Retrofuturism' is being held at the Museum of Contemporary Art, and we have arranged for a group tour. Parking is a problem, since MOCA doesn't offer any – park on the street or in a nearby garage. See Pages 8-9 for more information.

General Meeting – Friday, February 28, 8:00 PM

Join us for the February general meeting at the Veteran's Center in Culver City. The usual coffee and donuts will be served as well as our monthly drawing for an assortment of prizes.

Board Meeting – Wednesday, March 5, 7:30 PM

The Board of Directors meets monthly at a restaurant, for the purpose of planning the club's activities, conducting the club's business, etc. All members are welcome to attend. If you have some issue to bring to the board, or some ideas for events, etc., please plan to attend.

Swap Meet at Omega MotorSports – March 16

Time to clean out your garage! Time to stock up on some missing parts for that 'project' car! Uwe Backer will again offer his facility for our spring swap meet. We might even get Dave Evans' mobile dyno to come as well. The location is in Culver City, at 3822 Clarington Avenue, 90232.

Wild Flower Rallye – Sunday, March 30

Jay Negrin has (temporarily?) retired as tour conductor for our annual 'Search for Wild Flowers'. Our Vice President, Bill Carson, has volunteered to put on a Rallye in wild flower country, so we can combine the search and a driving event. More information will be available later, or contact Bill Carson.

Time Trial & Race at Willow Springs – April 12-13

Another trip to our home track, Willow Springs. The weather should be great! If you are not currently on the mailing list for the Time Trials and the Drivers School, E-mail Terry Watson at slaysman@aol.com and he will add you to the list. For more information about the event, contact Doug Bender at (310) 373-3552 or E-mail at alfabender@earthlink.net.

Concours at Agua Dulce Winery – April 27

Get your car cleaned up from the winter rains and get ready for our Spring Concours, at Agua Dulce Winery, an interesting site for a car show with a very good winery attached. Charlie Schwartz has planned some new venues for us this year, and if your car is not in show condition, come anyway and kibitz those who do show their cars, and bring a picnic lunch to enjoy the location. Call Charlie Schwartz at (818) 760-0189 for details.

Palms to Pines Tour – May 17-18

Charlie Schwartz' Driving Tour of Orange County (and vicinity) was a great hit, and those of us who have read the instructions but were unable to go on the tour have wanted to make it into a weekend tour. There will be an overnight stop somewhere, and lots of interesting places to visit. Jim & Elyse Barrett are working up the changes & details. Watch future newsletters for more information.

Miscellaneous Rumblings from Il Presidente!

Well, I welcome the new 2003 Board of Directors. I get another crack at being Pres. Maybe this time I can get it right.

Take a look at the calendar for 2003. The Board is trying to keep many of the things we liked from the past and adding a few new things.

Competition-wise this year things look good. John Cote and Doug Bender have an interesting schedule. No Laguna Seca this year 'cause they had no weekends available for poor old AROSC. But we do have 2, count 'em, TWO High Performance Driving Schools this year in February and September!! Bitchen!!

Notice that the Wild Flower event is called a Rallye this year. Jay has "retired" from this event this year. Seems that he thinks that swapping his Valley hacienda for a shack in West LA, as well as getting married to Linda this year would take up too much of his time. So in his honor this year's Wild Flower Tour will be a very low key road rallye. Nothing too difficult and the emphasis will be on fun rather than brainteasers.

We will revisit Bonnie and Charlie's Alfiesta Driving Tour this spring since most of our Chapter was working at Alfiesta the day it was first held. Jim and Elyse Barrett were conned into massaging the tour of the south Orange County area into a 2-day event. Hey guys, where and when are we staying overnight so that Mary and I can make motel reservations??

Hope the mosquitoes stay away from the Mt. Wilson evening tour in August again. Last year's drive up to the mountain was quite pleasant, perfect for a warm summer's eve.

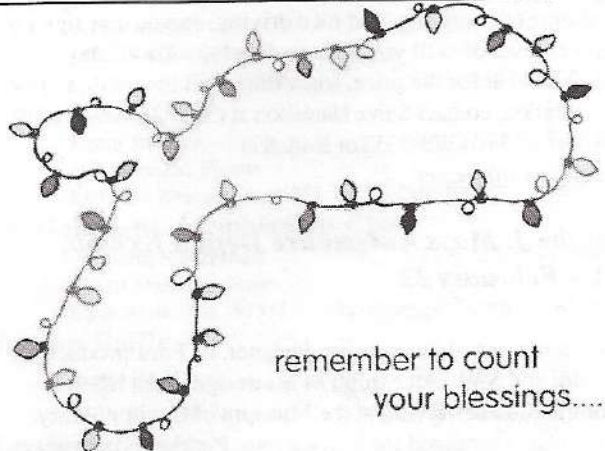

We moved the Wine Tour to October and will visit the Santa Inez area just past Solvang. Gene Brown will get a chance to exercise his Montreal as he searches for interesting roads to connect a couple of wineries.

So those are just a few activities that the Board has planned for us this year. Now with over 380 members in our Chapter I want to see a lot more of you at

these events. I will repeat what I said a couple of years ago about attendance. There are always about 20 - 30 of us AROSC Alfisti who will go to an Alfa event at the drop of a hat. But that leaves about 350 of you out there who don't get out much. So here's the deal. Those 350 of you only have to come out to 1 social event this year. Perhaps you should get out to a spring event so that you can get your obligation fulfilled quickly. Anyway give us a try. Non-Alfa owners are always welcome. You just might get the Alfa bug and show at your second event in an Alfa, who knows.

See you at Cirvello's.

Sidewaysalfa

remember to count
your blessings.....

Take everyday!

May your holidays and
your New Year be bright!

Annual Meeting January 26

Cirivello's Trattoria Again!

January Meeting at Cirivello's Trattoria Again!

The last three years we have held our Annual Meeting at Cirivello's Trattoria with a buffet luncheon, and we have had great attendance, great food, and great fun, so we're doing it once again. This year, we will meet on Sunday, January 26 for the introduction of new officers and the presentation of Year-End Trophies for our competition program. There will be the informal clean car show in the parking lot again, weather permitting.

We expect another great group in attendance, but keep in mind that this is a small restaurant, and although we take over the whole place, there is a limit of 80 people so make reservations early. Also, a reservation is secured by payment, so please send a check to AROSC at 17041 Malta Circle, Huntington Beach, CA 92649 in advance to be sure to get seated. We will have some special door prizes, and maybe the restaurant will give away a free dinner or two, so how can you miss? Skip the Super Bowl Pre-pre-pre game shows and join us for a great afternoon. Then go home and watch the game.

Mark your calendars, give us an RSVP, and come see us there.

Special Tour -- RetroFuturism

At the Museum Of Contemporary Art -- Gef

Retrofuturism: The Car Design of J Mays, marks the first museum exhibition devoted to the work of an American car designer. This comprehensive overview organized by MOCA (Museum of Contemporary Art), brings together concept cars, development models, video footage, new photography, and original drawings to reveal the complex and fascinating process behind May's groundbreaking work.

representative of a particular decade." The centerpiece of the exhibit is the Ma, a kit-of-parts car that is 96% recyclable, which Mays says "reflects the mindset of our times". An electrically powered, aluminum-framed two-seater with a bamboo body held together by titanium bolts, it would be the perfect thing to have at Burning Man or Arco Sante, according to *Autoweek*. For more information, check out www.moca.org.

Designer J Mays is renowned for blending the iconic past with a compelling vision of the future. The designer of some of the most innovative automobiles of the last decade, J Mays uses a multidisciplinary approach which draws inspiration from fashion, architecture, and industrial design. Currently vice-president of global design at Ford Motor Company, Mays previously worked for Audi-Volkswagen and BMW, and his successes include the concept for the new Volkswagen Beetle, the Audi AVUS, and the redesigned Ford Thunderbird, among others. Mays won the Harvard Design School's annual Excellence in Design Award last February.

Mays explains that "every vehicle is futuristic, but it becomes retrofuturistic when you create a vehicle that is

Mays was born in 1954, and studied commercial art and journalism at the University of Oklahoma. He graduated from the transportation Design program at Art Center College of Design in Pasadena in 1980. He spent 10 years with Audi AG in Germany before opening a Southern California design studio for the company. In 1997 he joined Ford Motor Company, where he is responsible for the design direction of the company's 8 marques: Ford, Mercury, Lincoln, Mazda, Volvo, Rover, Jaguar, and Aston Martin.

You might as well join us for this unique museum tour, as it will probably be raining anyway, thanks to El Nino!

Jay Mackro and hostess Erika Herting, with what's left of dinner -- lots of pizzas and salads.

After dinner, Mary, Adrienne, Paul, Charlie, Bonnie, and Evie (?) discuss the day.

Charlie Schwartz asks a detailed question of the hostess while Jon Pike and Georgio look on. Looks like he has her stumped! (Cilurzo Winery?)

Jim & Elyse Barrett, Glenna Garrett, and Phyllis chat over dinner.

This must be an Alfa Club event -- plenty of food, good cheer, and some wine as well.
