An outline of coming events

General Meeting – Friday, November 21, 8:00 PM

Join us for the November general meeting at the Veteran's Center in Culver City. We will have the annual election of the Board of Directors, as well as the ever-popular 'White Turkey' auction. Bring something for the auction – anything goes! And those who don't come to this meeting may find themselves elected to the Board! The usual coffee and donuts will be served as well as our monthly drawing for an assortment of prizes.

Competition Committee Meeting – Sunday, December 7

Competition Chair Doug Bender is calling the annual meeting of the Competition Committee to order at Art Russell's home. There are a number of topics to discuss, including changes to the Competition Code, finances, etc. Start time is usually 11am. Check with Doug for more information.

Holiday Party – Saturday, December 13, 12 noon, Redondo Beach

Join us again at the home of Sheila and MJ Kutkus in North Redondo Beach for our annual Holiday Party. It is always a great lunch feast, with potluck side dishes along with MJ's Barbecue and Sheila's main dish and a wine tasting. There is more information on page 9.

Board of Directors Meeting – Sunday, December, 15 11AM at the Kutkus Home

The newly elected board and the old board will gather at the home of MJ and Sheila Kutkus the day after the Holiday Party to set up the calendar for 2004, determine the officers and committee chairs, and consume party leftovers. All members are welcome to attend. If you have some issue to bring to the board, or an idea for events, etc., please plan to attend.

Annual Meeting and Competition Trophy Presentation – Sunday, January 25

We have held our annual meeting at a restaurant for the past few years, and expect to do so again in 2004. The venue is not yet set, as our previous venue is not available. However, we expect to gather for a luncheon on the last Sunday of January, so keep the date available.

Time Trial and Race at Willow Springs – January 31 & February 1

Our first time trial of 2004 is planned for the end of January. More information will be available next month on our complete competition schedule. For more specific information, contact Doug Bender at (310) 373-3552 or e-mail at alfabender@verizon.net. To be added to the mailing list, E-mail to Terry Watson at slaysman@aol.com.

Miscellaneous Rumblings from Il Presidente!

I'm writing this on Tuesday evening, "the week of Firestorm 2003". I just unpacked my PC and hooked it up. We in Northwest Chatsworth were getting ready to bug out last night. Now there's a bunch of ash all over the place and smells like we have been with my old Boy Scout troop sitting around campfires for 3 days straight.

Phyllis called tonight to see if us Chatsworth people had been evacuated, but really to see what time I can get this article written. Due to the short month and her travel schedule to Las Vegas for the VARA Alfa-Porsche Challenge and then the SEMA show she doesn't have much time to get this issue published.

I wonder how the fires will effect our traditional driving tours for 2004. Palms to Pines may take on a less picturesque tone. She and I were wondering how some of our AROSC members were doing. Many of the fire areas are also homes to many of our members.

We are finishing the ballot for our 2004 Board of Directors. It will be mailed out separately. Mail in your completed ballot with your AROC membership number written on the envelope, or bring it to the November General Meeting.

And that meeting is on the 21st not the 28th!!

That meeting is also the White Turkey Auction. Here all of you have a chance to get rid of those items that somehow escaped being grabbed at our swap meets, or perhaps something you just dug up in the garage. Rules are simple: no dirty/greasy parts; Alfa Romeo related; we will auction them off at the meeting to the highest bidder; the club will take a 10% seller's commission; we will all have a lot of fun watching how our auctioneers milk the last couple of cents from each bidder. To choose which parts you bring always choose humor over function.

December is Holiday Party and annual Board meeting time. The Party is on the 13th at Sheila and MJ's home in Redondo Beach. For us regulars we'll be there most of the day, eating and talking. Now for your new folks this is a great chance to stop by for your first AROSC event. We have a bunch of potluck food and drinks available for a very small cash donation.

This is a chance for some of our AROSC cooks to show off their best party dishes and MJ does an incredible BBQ! We have name badges on so meeting and greeting is easy. No big time commitment on your part. Stop by for a couple of minutes, you might stay a couple of hours.

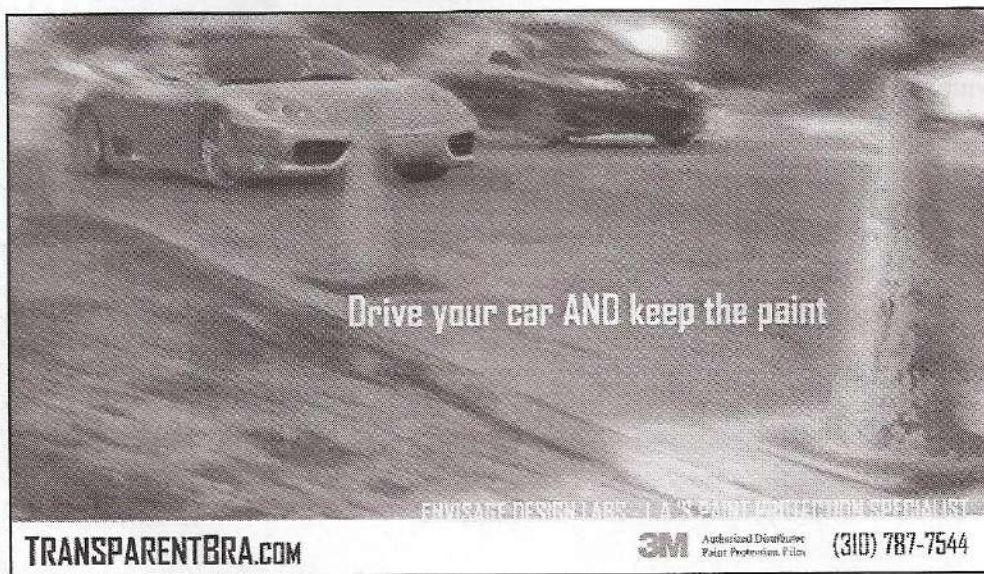

The next morning is the big Board of Directors meeting where the 2004 Directors plan out our calendar for the year. If you have some ideas for 2004 why not stop by and put your 2 cents in? You don't have to be on the board to run an event.

The week before the Party is the Competition Board Annual Meeting. Doug has spent a lot of time, and e-mail conversations updating the Competition Code. Here it will be "carved in stone" and the 2004 events discussed. If you got some ideas or constructive comments then you better stop by. Doug took one of those meeting seminars years ago so he uses something called an agenda. That means you need to be on it if you have something new to add.

It's time to be thinking about the January Annual meeting where we meet on the last Sunday in the afternoon for lunch, drinks and lots of talk. Our old venue, Cirvello's may not be in business so a new restaurant is needed. The South Bay area is the center of our membership so we try to meet in this area, but we are not stuck there. We need room for at least 70 and lots of parking so we can show off our cars. Any ideas???

That's all for now. I gotta finish unpacking and clean off the old ash from the Milano. See you at the meeting.

Cruise Control Warning!

I got this from a friend and thought it was interesting and worth sharing with you all! I did not know this.

A 36-year-old woman had an accident several weeks ago in Texas and totaled her car. It was raining, though not excessive, when her car suddenly began to hydroplane and literally flew through the air. She was not seriously injured but very stunned at the sudden occurrence!

When she explained to the highway patrolman what had happened he told her something that every driver should know - **NEVER DRIVE IN THE RAIN WITH YOUR CRUISE CONTROL ON.** She had thought she was being cautious by setting the cruise control and maintaining a safe consistent speed in the rain. But the highway patrolman told her that if the cruise control is on and your car begins to hydroplane - when your tires lose contact with the pavement your car will accelerate to a higher rate of speed and you take off like an airplane.. She told the patrolman that was exactly what had occurred.

We all know you have little or no control over a car when it begins to hydroplane. You are at the mercy of the Good Lord. The highway patrol estimated her car was actually traveling through the air at 10 to 15 miles per hour faster than the speed set on the cruise control.

The patrolman said this warning should be listed, on the drivers seat sun-visor - **NEVER USE THE CRUISE CONTROL WHEN THE PAVEMENT IS WET OR ICY** - along with the airbag warning.

We tell our teenagers to set the cruise control and drive a safe speed -but we don't tell them to use the cruise control only when the pavement is dry.

The only person the accident victim found, who knew this (besides the patrolman), was a man who had had a similar accident, totaled his car and sustained severe injuries.

If you send this to 15 people and only one of them doesn't know about this, then it was all worth it. You might have saved a life.
